

4 Some dark pools SEND OUT Indications to other venues. If you rest orders in dark pools, how would you describe your knowledge about what happens with your orders:

		Response Ratio
I actively control how my order information is used by dark pools		9%
I'm sufficiently informed about what the pools do with my order flow		22%
I'm not sure whether I'm sufficiently informed		42%
I don't know what various pools may be doing		13%
I don't want or need to get involved in these decisions		14%

5 Some dark pools RECEIVE Indications. If you rest orders in dark pools, what best describes your knowledge about what flow your orders interact with:

		Response Ratio
I actively make decisions about what flow my orders can interact with		10%
I'm sufficiently informed about what the pools are doing		21%
I'm not sure whether I'm sufficiently informed		43%
I don't know what various pools may be doing		13%
I don't want or need to get involved in these decisions		13%
